To Montgomery County Council Public Hearing March 29, 2022:

Re: Casa Ruben Inc. Pediatric Mobile Medical Vehicle

I fully support the approval of Montgomery Council funding for Casa Ruben, Inc. The Foundation and Montgomery County would create a public-private initiative to use a mobile medical clinic to connect uninsured, under-insured, and under-resourced children and youth (ages 0-21 years) to healthcare and vaccinations.

This is a great resource for the Spanish community. Speaking from firsthand experience, Casa Ruben Inc. has provided good medical services to me and those who enter the clinic. They are kind and pay a lot of attention to what patients need.

Sincerely,

Vilma Colindres
